Jaime and Tom:

I'll be over at 10:30 this morning to discuss Riley Park.

Request for EPA person to appear at next Park Board Meeting:

Park Board Meeting: Tuesday, October 25, 2016 at 5pm

City Hall Council Chambers (on 2nd floor)

Issue from Park Board:

Park Board members had questions about the clean up of Riley Park. I shared the attached map with the board and explained that the clean up is planned for next week, starting October 17, lasting for 4-5 days. Thus, the cleanup will be complete by October 25, but the Park Board still requested that someone explain the plan to them, and answer questions. The questions will likely be about the scope of the cleanup of the Park, but they may also ask about the cleanup of other properties owned by the Park in the USS Superfund (MLK Center, Goodman Park, and the narrow strip of land on the east side of Parrish in the 4800 and 4900 blocks.)

Question from Mayor:

The Mayor was of the understanding that the playground area to the east of the Riley Park Pavilion building, bordering Grasselli, was going to be remediated, and wanted to coordinate the removal of play ground equipment in that area. I would like to discuss those details with you.

There is also a question about what trees may be removed, and which trees will remain.

See you shortly.

Thanks ,

Carla
